

EXPRESSION OF INTEREST

PT BUKIT MURIA JAYA (BMJ) has a variety of employment opportunities across its businesses.

We pride ourselves on the high level of service we deliver to our clients. This is only possible due to the quality people that work for BMJ.

Our goal is to employ people that are high achievers and self-motivated. The BMJ ethos encourages personal development, collaboration and work practices that will drive our company forward.

Employees are provided with ongoing learning to fulfil their potential. BMJ's policy is always to try and promote within when the opportunity arises.

BMJ is committed to providing an equal opportunity to all existing and prospective employees without discrimination based on religion, disability, gender, age, marital status, race and ethnicity.
